The "Best Retail Company in Saudi Arabia"

The Arabian Business Magazine has selected Panda as the Best Retail Company in Saudi Arabia. This recognition is part of the KSA 2006 Achievement Awards. These Awards have been taken place annually for the last six years.

Dr. Kashgari, President of the Retail Division added “ This year by the grace of Allah we are very delighted and proud to win the award for the 'Best Retailer in the Kingdom of Saudi Arabia'.

He further added “This achievement is the result of our continuous efforts to deliver the best promotions, our superb store operations, an 'easy to shop layout' for our customers and our contribution to the community”.

He also said “I am confident that we would not have won this award without the great teamwork that all Panda employees have demonstrated throughout the year”.

Finally he concluded by offering his congratulations to all the Great Panda team - each and everyone of them in the business has contributed to this achievement and has made "Panda" the best retailer in the Kingdom and he said “Well done brothers and a sincere thank you to all of you”.
